Ranger Services - Livestock

With Uralla being a prominent rural area, from time to time, residents may encounter the problem of stock escaping from properties. Council will attempt to assist where it deems appropriate. With the drought there has been much droving of stock along public roads. There is a requirement to obtain a permit from the Local Land Service; to put highly visible signs at either end of where stock are located on the road and to have a responsible person tending the stock at all times. This process assists in avoiding unnecessary accidents.

If such requirements are not followed, Council will consider the livestock to be roaming and our Ranger may issue infringements or impound the livestock. For further information please contact the Local Land Services on 02 6772 2366.

Responsibility of Pet Owners

This is a reminder to all animal owners that it is their responsibility to pick-up after their animals in public places. This applies to all animals including horses. There have been a number of instances recently where horse manure has been left on footpaths and in public spaces, including out the front of shops in the main street. It is important that we are all responsible and respectful pet owners.

Volunteer Drivers for Uralla Home and Community Care (HACC)

Uralla Home and Community Care is seeking Volunteer Drivers to take elderly people from their homes to appointments in Uralla or Armidale. Journeys may take as little as 15 minutes or up to 1.5 hours. If you have a drivers licence and the time to give back to those living in your Community, please give us a call. You choose when you are available, no set times of availability are necessary. Vehicle usage allowance is available.

For more information contact Catherine Mead on 02 6778 3503 or 0437 900 044.
