1. The Glen

That Council advise UTEC on the progress on the recommendation around the expression of interest for either a group, volunteer or employment opportunity in relation to the maintenance of the Main Street.

Executive advice:

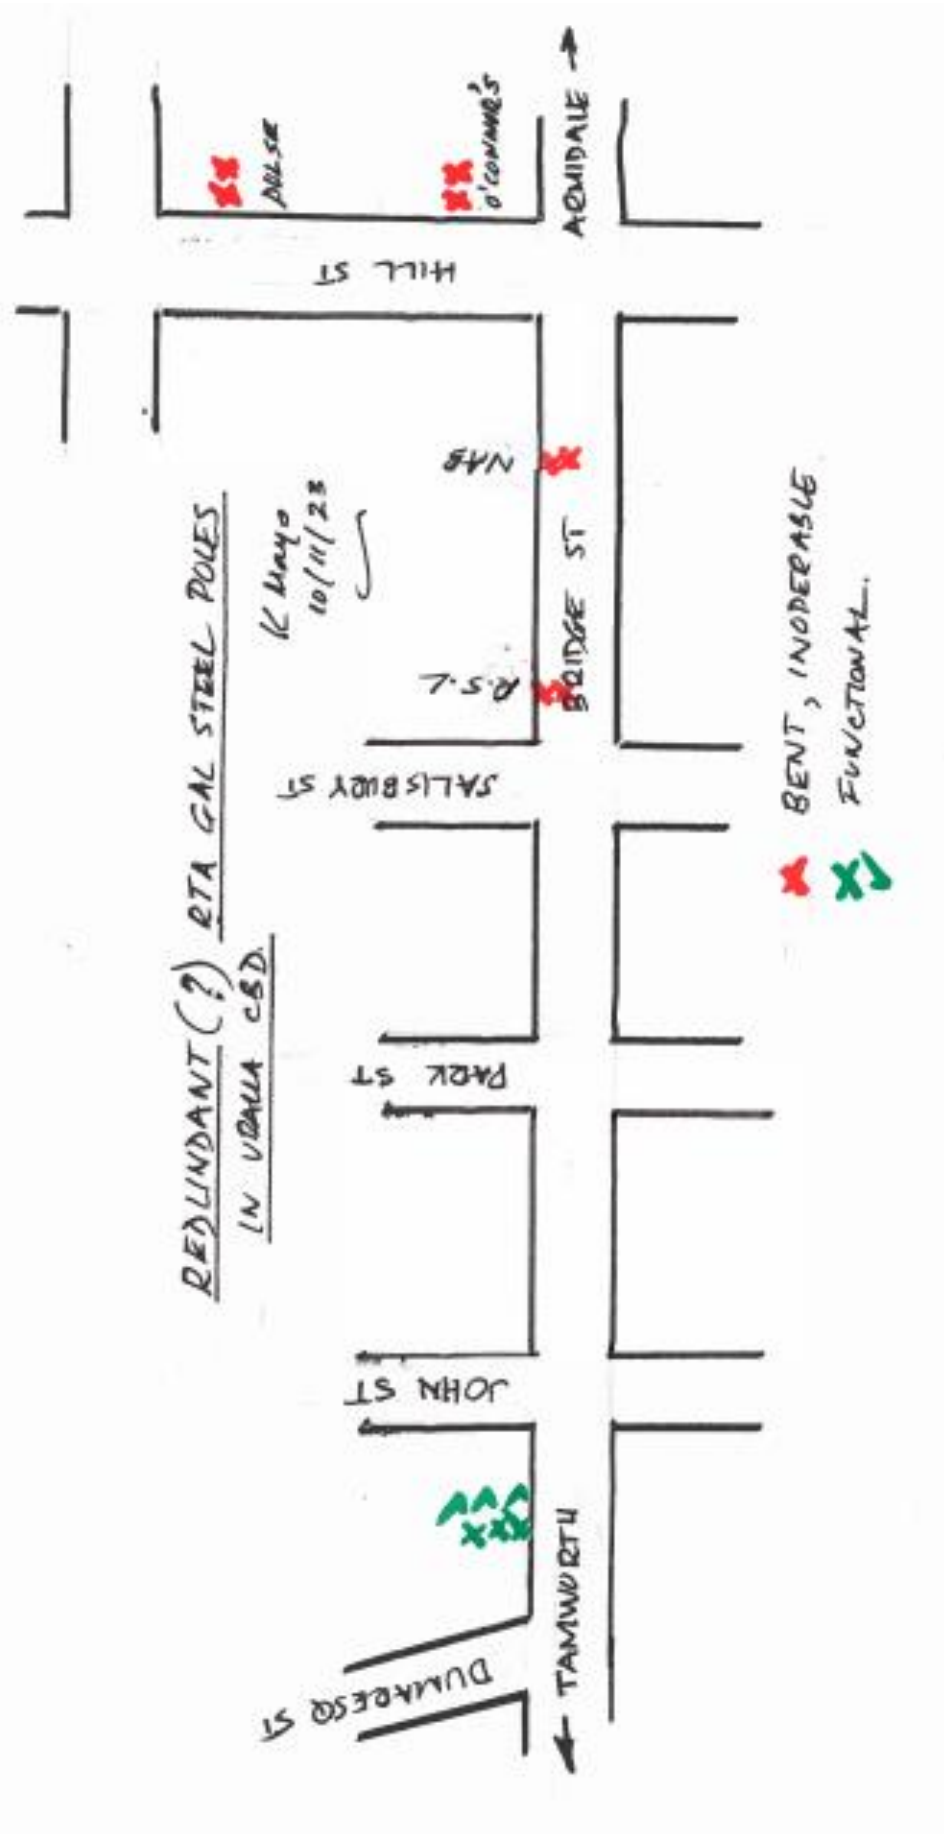

The actual recommendation from the Uralla Township and Environment Committee was "Council advise UTEC on the result of the recommendation that Council employ a person, permanent part time, with the sole responsibility to enhance and maintain the blister gardens."

Comment:

Council included an additional \$17,000 in the 2022/23 budget to increase the maintenance level of the parks and open space area, particularly of the Uralla main street area.

It is anticipated that the parks and opens space component of the Organisational Transformation Plan will be implemented in early 2023 which may also include the commencement of a parks and open space volunteer program.

GENERAL BUSINESS:

3. Courthouse Piano
